El siguiente es un trabajo práctico modelo para que el alumno/a resuelva en su hogar y lleve realizado el día del examen (debe llevar todo el trabajo impreso y resuelto, no las respuestas en una hoja).

El día del examen se recibirá este trabajo y se le entregará un examen similar al alumno/a (mismo formato pero con otro vocabulario) que deberá resolver ese mismo día.

De ser necesario, se pasará a una instancia oral donde se le realizarán preguntas sobre distintos temas (todos relacionados con el trabajo práctico o examen escrito).

La acreditación de la materia se dará con:

- Entrega y aprobación del trabajo práctico impreso en papel
- Resolución correcta del examen que realizará ese día

El examen oral se realizará sólo si el alumno/a necesita compensar algunos contenidos que no hayan quedado claros en el examen escrito y/o trabajo práctico.
